

CEILING LOUSPEAKERS

PC 3

Plastic ceiling loudspeakers

PC 3

Dual cone plastic ceiling speakers with built-in 100 V transformer, metal grill, fire housing, white colour. PC 3 is perfect for recessed, nearly invisible fit.

Designed to be mounted recessed in hanging false ceilings or panels, the PC 3 is ideal for background music and announcements. It features a multiple socket line transformer for use in constant voltage systems. The transformer taps allow to select the output power from among 4 different values. Prepared for connection to an amplifier by means of screw terminals. This speaker is your budget solutions.
